## PROJECT MANAGEMENT & CONSULTANCY

## BUSINESS PROFILE 2026

NIZAR BA-HAJJAJ COMP. is a project management and consultancy firm dedicated to helping businesses achieve their goals. We offer tailored solutions, expert guidance, and efficient strategies to ensure successful project delivery on time and within budget.

# CEO'S Message

In a world defined by rapid change and complex challenges, project management has become the driving force of sustainable success. At [Your Company Name], we see every project as a story of vision, collaboration, and transformation – a journey where ambition meets execution. Through disciplined strategy, adaptive leadership, and a steadfast commitment to excellence, we transform ideas into measurable impact and progress.

Standing at the intersection of innovation and execution, we empower organizations, developers, and communities to build with purpose and deliver lasting value. Whether shaping infrastructure, advancing technology, or guiding organizational change, our guiding principles remain the same – clarity, accountability, and results.

As we expand our global partnerships, we remain dedicated to redefining what success means – not only in terms of milestones achieved but in the legacy we create: stronger teams, smarter systems, and more sustainable outcomes. Our mission extends beyond delivering projects; it is about enabling transformation, resilience, and growth wherever we operate.

**Together, we manage more than projects, we manage POSSIBILITIES.**

# Business Director Message

At Nizar Ba-hajjaj Project Management Consultancy, we provide integrated consulting solutions that blend over twenty years of hands-on experience with cutting-edge scientific methodologies empowering our clients to achieve their strategic objectives with confidence and measurable precision.

We commit to acting as a natural extension of your team working closely with you to achieve your goals, enhance your organizational capabilities, and maximize your return on investment. We invite you to embark on a transformative journey with us, where our expertise meets your vision to shape a future defined by sustainable growth and exceptional success.

Warm regards,

Business Director  
**Tawfik A. Kader**

## ABOUT US

We specialize in the construction and infrastructure sectors, delivering an integrated approach that combines strategic project management, organizational governance, and data-driven decision support.

Our expertise is grounded in real-world execution across the Gulf region from the planning of different campuses and cities - Doha and Kuwait, to the recovery and successful delivery of delayed projects - Dubai and the management of a 397-project portfolio - Abu Dhabi.

We move beyond traditional consultancy to serve as strategic partners, transforming complex and high-risk initiatives into drivers of sustainable growth and operational excellence. Through tailored solutions, we ensure on time delivery, cost efficiency, and long term resilience, empowering our clients to lead with confidence in an ever-evolving market.
